Programming start and end times at each of these sites vary in design based on each school's innovation plan. However, total programming time is equivalent to all other Discovery Link sites. As such, tuition at these sites will see a higher rate increase for 2019-2020 to align with all other Discovery Link programs. (AM \$8.25/day and PM \$12.50/day).

#### Billing

- Families are billed based on the daily rate and number of days their child is scheduled to attend within a month. The first month of school includes August 19th - September 30th 2019.
- Discovery Link does not issue credits for any days you elect not to send your child to the program, inclement weather or strikes. Non-contact days, spring break and holidays are not calculated into your monthly tuition bill.
- Statements will be sent via email to families on the 15th of each month. Monthly payments are due by the 3<sup>rd</sup> of each month. A late fee for unpaid accounts will be assessed on the 8<sup>th</sup> of each month.
- Failure to make your monthly payment prior to the 15th will result in dis-enrollment.
- We do not accept payment at sites. Online payments and autopay can be initiated through our Schoolcare Works platform: <https://connect.schoolcareworks.com/login.jsp>. We do not accept cash.
