

# SUMMER DISCOVERY CAMP!

## Weekly Themes

**DISCOVERY LINK**  
THE DPS AFTERSCHOOL PROGRAM

Kids Camps are theme-based and incorporate youth development best practices, to create a hands-on, interactive summer learning environment. Each week includes a field trip connected to the theme to enhance the student's experience.  
\*Denver Public Schools are closed July 4th in observance of the holiday.

School	Week 1 June 12-16	Week 2 June 19-23	Week 3 June 26-30	Week 4* July 3-7	Week 5 July 10-14	Week 6 July 17-21	Week 7 July 24-28	Week 8 July 31-Aug 4
<b>Cory</b>	Inventors & Innovators	Going Green	Sports Week	Exploring Our Cultures	Mad Science	Water, Sun, Fun	Chef's in the Kitchen	Great Build Off
<b>Isabella Bird</b>	Mad Science	Chef's in the Kitchen	Exploring Our Cultures	Game Show Mania	Sports Week	Great Escape	Water, Sun, Fun	Great Build Off
<b>Lowry</b>	Mad Science	Great Build Off	Great Escape	Exploring Our Culture	Moving and Grooving	Sports Week	Water, Fun, Sun	Game Show Mania
<b>Park Hill</b>	Inventors & Innovators	Sports Week	Moving and Grooving	Game Show Mania	Water, Sun, Fun	Great Escape	Going Green	Mad Science
<b>Sandoval</b>	Mad Science	Inventors & Innovators	Chef's in the Kitchen	Game Show Mania	Going Green	Sports Week	Moving and Grooving	Water, Fun, Sun
<b>Slavens</b>	Mad Science	Chef's in the Kitchen	Exploring our Cultures	Sports Week	Water, Sun, Fun	Great Build Off	Going Green	Moving and Grooving
<b>Southmoor</b>	Mad Science	Going Green	Great Build Off	Exploring Our Culture	Chef's in the Kitchen	Water, Sun, Fun	Inventors & Innovators	Great Escape
<b>Steele</b>	Mad Science	Going Green	Chef's in the Kitchen	Exploring Our Culture	Inventors & Innovators	Water, Sun, Fun	Great Build Off	Sports Week
<b>Swigert</b>	Mad Science	Inventors & Innovators	Sports Week	Water, Sun, Fun	Great Build Off	Game Show Mania	Great Escape	Chef's in the Kitchen

<b>Westerly Creek</b>	Mad Science	Sports Week	Moving and Grooving	Exploring Our Culture	Inventors & Innovators	Water, Sun, Fun	Game Show Mania	Great Escape

**Mad Science Camp** - Let's tinker, experiment, question and create! This camp will inspire curious minds through exciting and engaging STEM (Science, Technology, Engineering, Math) projects. Explore and solve the mysteries of science as you become a Discovery Link Mad Scientist!

**Sport Week** – Let's learn about our bodies. How can we stay healthy inside and out? We will get moving and learning with sports, games, and healthy cooking.

**Inventors & Innovators** What do earmuffs, popsicles and trampolines all have in common? All were invented by kids! The possibilities are endless as we discover, design, brainstorm and build our way through the week. We'll learn from well-known inventors like Edison and the Wright Brothers and young innovators who are changing the world. What will you invent this summer?

**The Great Escape** - You're trapped, in a lifeboat, a mysterious castle, or a jungle. Join us this week for games and puzzles all working on strategically escaping from various scenarios. Student will build, plan, and escape from multi changing scenarios our camps will toss at our students.

**Chef's in the Kitchen Week** - You are really, really hungry and you want something sweet to eat. Can you whip up a treat that's healthy AND tastes good? Learn about basic food groups, nutrition and chef cooking techniques! Create and eat snacks. Participate in Top Chef competitions!

**Water, Fun, Sun Week** - The summer is hot! Come cool off with us as we explore everything water! From water competitions to what water is and why it is important, your student will have a blast this week!

**Going Green Week** - Help save the World one recyclable material at a time! Let's reduce, reuse and protect our planet with fun science activities, games and competitions!

**Game Show Mania Week** - Create a game show with your friends! Build sets and props. Compete with friends. Invite family.

**The Great Build Off** - The world is full of great buildings! From the pyramids in Egypt, to the empire state building. Join us as we challenge are students to create some of the greatest building in history as well as challenging each other to create their own unique models! Students will also work together to make a larger than life model of one the greatest buildings the world has seen!

**Explore Our Cultures Week** - Who am I? What is my family's cultural background? Learn about different cultures of the world. Explore your own culture. What's special about your family's culture? How do you learn more about others and their family's culture?

**Moving and Grooving** - Let's dance, sing, move and groove! This week find your musical side with instruments, music, dancing and fun!

**Registration begins March 1st!**
