

Hello families!

I am sending the welcome emails again, see below, as it was brought to my attention that they were not reaching everyone through school care works.

I apologize if you have had not received these emails earlier.

As a reminder, if your child is not attending on a day that they are scheduled to attend, please either email me at harvey_mccarthy@dpsk12.org or text me at 720-692-7981.

On good weather days, we will transition to the C3 playground, corner of Iowa and Monroe, at 4:00 pm. On days, like today August 24th, where it is 85 degrees or higher, we will transition inside between 5:00 and 5:15 pm. Even with frequent water and bathroom breaks, the students usually request to go inside around 5:00 pm due to the heat.

Starting after Labor Day, students will be offered club choices (different from the enrichment programs), after the outside time listed above. They will have different choices each day but gym and homework help will be standards every Monday through Thursday. Friday is "fun Friday" where we do not do clubs. Details about the upcoming clubs will be coming soon in the first parent newsletter.

Finally, if you have trouble with the doorbell or you seem to have caught us in transition from one location to another, please call me or text me at 720-692-7981. I am happy to assist you.

Thank you,

Harvey

Hi, families!

My name is Harvey McCarthy and I am the new Program Specialist for C3's Discovery Link program. I wanted to send out a welcome e-mail with a few reminders to all families, as well as a little information about myself. I am very excited to be here and looking forward to the start of the school year. I cannot wait to meet you all!

About me: I am originally from Springhill, Nova Scotia, Canada. It is a town famous for Anne Murray who was extremely popular in the 1970s and coal mining. This is my second year at C3 and my first with two fully functional ankles.

This year we have added three new staff:

Jasmine Locks from University Park and Denver Green School.

Jacob Milewski -Program Leader who transitioned from Summer Camp.
