Snack & Allergies

Snack is provided after school every day from the school cafeteria. Check the snack calendar at our parent table to see what yummy snack your child will enjoy each week. Due to allergies in our group, we ask that no outside snacks are brought in to keep all children safe.

Breakfast

During the morning session, your child will be able to go to the cafeteria for breakfast. Please let us know if you would like your child to eat breakfast at school. A staff member will accompany them at 8:30. For more information, check the DPS website.

Questions about your account? Contact our OS11, Dia Bryant @ 720.423.1788.
