#### Our New Sign in/out Process:

This year you will now sign in your child/dren in/out on an electric device. You will need to have your pin number ready to clock in and out each time. You're more than welcome to text (720-692-7976) or email me (catrina\_benjamin@dpsk12.org) your first and last name so I can provide that number to you. You can also go back into school care works and get the pin number there also.
